Re: AT&T Inc. and Dobson Communications Corp Consent to
Transfer

Control of Licenses and Authorizations, WT No. 07-153
Notice of Oral Ex Parte Presentation

Dear Ms. Dortch,

On October 11, 2007, Wayne Watts, Paul Roth and Robert Quinn, representing AT&T, met separately with Chairman Kevin Martin and his Legal Advisor Aaron Goldberger; Commissioner Robert McDowell and his Legal Advisor Angela Giancarlo; and Chris Moore, Legal Advisor to Commissioner Deborah Tate. At each meeting, AT&T reiterated the public interest benefits of the proposed license transfers, as described in the application filed in the above-referenced proceeding and as further discussed in Applicants' joint opposition. The parties also stressed the importance of expedited action to ensure that the benefits can accrue promptly to Dobson's subscribers, employees and shareholders and requested that the Commission process the application promptly.

In accordance with Commission's rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a long horizontal line.
